**Subject:**  
Search for Town Manager

### Summary:

Staff is currently identifying options for the recruiting of a new Town Manager. There is an option for the search to be conducted by Human Resources or to have a recruiting firm conduct the search. Based on recent research, the estimated price range for these recruitment firms is around \$30,000 to \$60,000.

**Previous Commission Action:** Commission approved the resignation request from the previous Town Manager on April 15, 2022.

**Background/Problem Discussion:** Staff is estimating the search for a new Manager to take a minimum of 6 months.

**Expenditure Challenges:** Staff will likely perform a budget amendment to fund this process if a firm is selected.

**Recommendation:** There is no recommendation, this item is only for discussion.

**Proposed Motion:** There is no motion, this item is only for discussion.
