Variance Request 718 Bluff View Drive

No ex parte communications expressed by the board.

JP Murphy-Town Manager-Provided property information; variance would allow for construction of a dock to extend 30 feet beyond the 50 foot allowed by code; item tabled from previous meeting (2/12/2018) to provide for additional research and potential redesign.

Al Carrier-Deuel & Associates, Applicant's Representative-Discussed request; provided design layout photos of compliant dock versus requested dock, and area of historic dredge; owners still requesting variance due to environmental impacts; addressed questions from the board.

Discussion ensued regarding ability of neighboring properties to have docks; concerns of neighbors.

Mr. Carrier spoke briefly on comments from neighbors made at prior meeting; riparian rights and view corridors; addressed questions regarding dredging and lift location.

No public comments to be heard.

Meeting to closed to public.

Discussion ensued regarding previous resident comments concerning impacts to views; ability to construct conforming dock, no hardship found.

Mr. Mariano made a motion to deny the request for variance which would allow the construction of a proposed dock to extend 30 feet beyond the 50 feet allowed by code resulting in an 80 foot dock; seconded by Ms. Burton.

Aye: 7 - Chairman Brandvik, Vice Chairman Burton, Millspaugh, Marich, Mariano, Cilento, and Wrightenberry
