

TOWN OF BELLEAIR **SPECIAL RELIEF PERMIT APPLICATION**

PROCESS OVERVIEW

To address community requests to host/conduct special events and activities, the Commission may provide temporary relief from certain code restrictions via a special relief permitting process.

Permits are required in order for residents to receive temporary variances from code regulations that may include the serving of alcohol on public property (Section 6-2), the generation of excess noise (74-484), the placement of temporary signage (74-572), the allowance of increased street parking, or other variances. Allowed exemptions only last for the duration of the proposed event.

This process is initiated with the submission of this completed application to the Town Manager at least 21 days before any proposed event date. Properties may obtain no more than 2 permits per year. Applications will be approved/denied at a Commission meeting specified by the Town Manager.

If approved, and after receipt of required permit fees, applicants will be issued a Special Relief Permit by the Police Department within three (3) business days. Permits will then be issued to applicants and will specify authorized dates, times, and conditions-of-use for the approved event/occurrence.

PERMITS ARE REQUIRED WHEN ANY EVENT OR ACTIVITY:

- Will likely result in the violation of any Town Code section
- Will require the waiving of certain Code sections (per the breakdown on page 4 of this document)
- Will likely involve more than 50 participants and/or 20 vehicles in attendance

PERMIT FEES

Permit fees for a Special Relief Permit, as specified by the Town Code (Appendix B, Appeal to the Commission) are listed below. The Commission may waive or refund fees, as deemed necessary.
