Re: Town of Belleair Municipal Police Officers' Retirement Plan - Proposed Ordinance

Dear Mr. Murphy:

As you know, I represent the Board of Trustees of the Town of Belleair Municipal Police Officers' Retirement Plan. Enclosed please find a proposed ordinance amending the Town of Belleair Municipal Police Officers' Retirement Plan which is recommended by the Board for adoption by the Town. With changes to the Internal Revenue Code (IRC) and its associated Regulations, as well as guidance from the Internal Revenue Service (IRS) and recent litigation, the following amendments to the pension plan are proposed:

1. Section 42-79, Reemployment After Retirement, is being amended to make several changes as required by the Internal Revenue Code to satisfy the qualification requirements applicable to the reemployment of a disability retiree.
2. Section 42-85, Miscellaneous Provisions, is being amended to add subsection (j), Missing Benefit Recipients. This provision is in accordance with a recent IRS Programs Compliance Memorandum that requires plans to have an approved method for locating terminated individuals who are due benefits from the plan.
3. Section 42-208, Disability benefits in line of duty, is being amended to more clearly identify those individuals who may be eligible to apply for a disability pension in the event that they have resigned or their employment is terminated. This clarification does not change the way in which this provision has been applied or interpreted in the past. This change is being made because the current language has been challenged in litigation as being unclear and has resulted in unintended application of the language. The recommended change clarifies the language with no change in the intended application.
4. Section 42-209, Disability benefits not in line of duty, is being amended to more clearly identify those individuals who may be eligible to apply for a disability pension in the event that they have resigned or their employment is terminated. This

clarification does not change the way in which this provision has been applied or interpreted in the past. This change is being made because the current language has been challenged in litigation as being unclear and has resulted in unintended application of the language. The recommended change clarifies the language with no change in the intended application.

5. Section 42-215, Maximum Pension, is being amended by amending subsection (8) to provide for specific IRC requirements.

I am enclosing a copy of a letter from the Board's actuary, Foster & Foster, Inc., indicating that there is no cost associated with the adoption of this ordinance.

If you or any member of your staff have any questions with regard to this ordinance, please feel free to give me a call. In addition, if you feel it would be appropriate for me to be present at the meeting at which this ordinance is considered by the Town Commission, please contact my office to advise me of the date that the ordinance would be considered.

Yours very truly,

Re: Town of Belleair
Municipal Police Officers' Retirement System

Dear Donna:

In response to Scott Christiansen's letter dated March 28, 2019, we have reviewed the proposed ordinance (identified on page 5 as ksh\bla\pol\02-27-19.ord) amending the plan as follows:

1. Section 42-79, Reemployment After Retirement, is being amended to make several changes as required by the Internal Revenue Code to satisfy the qualification requirement applicable to the reemployment of a disability retiree.
2. Section 42-85, Miscellaneous Provisions, is being amended to add subsection (j), Missing Benefit Recipients. This provisions is in accordance with a recent IRS Programs Compliance Memorandum that requires plans to have an approved method for locating terminated individuals who are due benefits from the plan.
3. Section 42-208, Disability benefits in line of duty, is being amended to more clearly identify those individuals who may be eligible to apply for a disability pension in the event that they have resigned or their employment is terminated. This clarification does not change the way in which this provision has been applied or interpreted in the past. This change is being made because the current language has been challenged in litigation as being unclear and has resulted in unintended application of the language. The recommended change clarifies the language with no change in the intended application.
4. Section 42-209, Disability benefits not in line of duty, is being amended to more clearly identify those individuals who may be eligible to apply for a disability pension in the event that they have resigned or their employment is terminated. This clarification does not change the way in which this provision has been applied or interpreted in the past. This change is being made because the current language has been challenged in litigation as being unclear and has resulted in unintended application of the language. The recommended change clarifies the language with no change in the intended application.
5. Section 42-215, Maximum Pension, is being amended by amending subsection (8) to provide for specific IRC requirements.

We have determined that the adoption of the proposed changes will have no impact on the assumptions used in determining the funding requirements of the program. Because the changes do not result in a change in the valuation results, it is our opinion that a formal Actuarial Impact Statement is not required in support of its adoption. However, since the Division of Retirement must be aware of the current provisions of all public pension programs, it is recommended that you send a copy of this letter and a copy of the fully executed Ordinance to each of the following offices:

Mr. Keith Brinkman
Bureau of Local Retirement Systems
Division of Retirement

Mr. Steve Bardin
Municipal Police and Fire
Pension Trust Funds
Division of Retirement

If you have any questions, please let me know.

MEMORANDUM

TO: FLORIDA PUBLIC SAFETY PENSION CLIENTS

FROM: KLAUSNER, KAUFMAN, JENSEN & LEVINSON

RE: STATUTORY DEATH BENEFITS AND EXPANDED PUBLIC RECORDS EXEMPTIONS (SB 7098 & SB 248)

DATE: 5/21/2019

The purpose of this memo is to provide a summary of two recent bills which were adopted by the Florida Legislature that relate to public safety officers. While neither bill directly implicates police or firefighter pension benefits, both bills are relevant to public safety officers and plan administrators.

SB 7098/Chapter 2019-24

In addition to pension benefits under Chapters 175 and 185, Florida law also provides specified statutory death benefits that are required to be paid by cities/special districts. Death benefits for law enforcement officers are codified in Section 112.19, Fla.Stat. Death benefits for firefighters are codified in Section 112.191, Fla.Stat.

In November of 2018, Florida voters approved Amendment 7 to the Florida Constitution. Because Amendment 7 is not self-executing, the Legislature was required to amend Chapter 112 to implement Amendment 7. SB 7098 codifies Amendment 7 under Florida law and is described below.

Among other things, SB 7098 expands the coverage of statutory death benefits to include members of the U.S. Armed Forces, paramedics and EMTs. SB 7098 also increases statutory death benefits that apply under three sets of circumstances: 1) when a public safety officer is "accidentally killed," 2) when a public safety officer is "accidentally killed" during an "emergency," and 3) when a public safety officer is "intentionally killed" as a result of an "unlawful and intentional act."

SB 248/Chapter 2019-12 (Public Records Bill)

Florida's broad Public Records Law (also known as the "Sunshine Law") is codified in Chapter 119, Florida Statutes. SB 248 amends Section 119.0701 to expand the exemption for home addresses under Florida's Public Record law. While the Florida Constitution provides for public access to inspect or copy governmental records, over the years the Legislature has adopted a growing list of exceptions.

SB 248 expands the definition of "home address" to include not just the commonly used street address, but other identifying information that can be used to reveal a home address. Accordingly, the following identifying information will also be exempt from disclosure under Section 119.071(4)(d)1a's expanded definition of "home address":

the physical address, mailing address, street address, parcel identification number, plot identification number, legal property description, neighborhood name and lot number, GPS coordinates, and any other descriptive property information that may reveal the home address.

Note that this expansive definition includes "any other descriptive property information that may reveal the home address," when used in conjunction with other information.

By way of reminder, under Section 119.0701, the following records of a public safety officer are exempt from disclosure:

- Home address;
- Telephone number;
- Dates of birth;
- Photographs;
- All of the above for spouses and children of current or retired public safety officers;
- Places of employment of spouses and children of current or retired public safety officers;
- Names and locations of schools and day care facilities attended by the children of current or retired public safety officers.

Prior to the adoption of SB 248, the Open Government Sunset Review Act provided for a legislative review process of exemptions to the Sunshine Law. Unless periodically reenacted by the Legislature, certain exemptions were automatically repealed. SB 248 removes the automatic sunset requirement, making the exemptions discussed above permanent.

Feel free to contact our office if you have any questions about the application of SB 248.
