

# Discussion of Fiscal Year 2018-19 Annual Budget

## Maximum Millage Levy

Each year, as part of the Truth-in-Millage (TRIM) process, the Town of Belleair is required to set a maximum millage levy in the month of July. This is a not-to-exceed millage rate that is included in the TRIM notices that are mailed to property owners in the town before the final budget is approved.

## Budgeting Method

In preparation of this year's maximum millage levy staff has prepared preliminary budgets for each General Fund department, including revenues as well as expenditures for the fund as a whole. This is the first year that the Town of Belleair is converting its budgetary process from a line-item method to a program-based model. The program-based model discusses the actual efforts pursued by each department and any revenues that are directly related to each type of effort. It is staff's hope that this will enhance the way that the town's Annual Budget is communicated to residents, and at the same time provide informative data to improve the effectiveness of each department. Much of the program presentation is still in draft form, but the budgetary estimates should not fluctuate much.

Because the fiscal year 2017-18 budget was completed using the line-item method staff will be using a crosswalk sheet for the revenues, and each department's expenditures, to provide a comparison between budget years.

## Preliminary Budget Outlook for FY 2018-19

### General Fund

<b>Revenue Totals</b>	<b>2018-19</b>
Operating Income	5,585,699
Total Non-Operating Income	695,401
<b>Total Income</b>	<b>\$6,281,100</b>

### Expenditure Totals by Department

Administration	\$664,740
Building	\$148,610
Support Services	\$2,125,250
Police	1,743,100
Public Works	\$797,850
Recreation	\$869,000
<b>Total Expenditures</b>	<b>\$6,348,550</b>
<b>Net Income before Reimbursements</b>	<b>-\$67,450</b>

In reviewing the forecast of revenues and expenditures for the upcoming fiscal year there is currently a deficit of roughly \$67,450. A summary of these changes is detailed in the attached preliminary Annual Budget for the General Fund.

The values for FY 2018-19 are not final proposed values, however town staff is not anticipating any significant variation between the values that are provided for consideration and the budget that staff will submit in September for approval. The expenditures listed above do not take into consideration any cost of living adjustment or merit increase. Those values are listed later in this document as additional amounts for consideration.

### Revenue challenges for FY 2018-19

A detailed listing of revenues for FY 2017-18 and preliminary FY 2018-19 can be found on page 5. Significant reductions in revenues are forecasted in Building Permits \$(25,000) and Sale of surplus assets of \$(13,500).

Although it does not play a direct role in the budget for the upcoming fiscal year, voters will decide on Amendment 1 in November 2018, which would be a 3<sup>rd</sup> homestead exemption for the fifth tier of taxable value (\$100,000 - \$125,000). If approved this could have an impact of as much as \$200,000 beginning in FY 2019-20.

### Expenditure challenges for FY 2018-19

There are multiple expenditure areas that are anticipated to increase for FY 2018-19 which are summarized in the table below:

<b>Expenditure Description</b>	<b>Magnitude (\$)</b>
Police Pension Payment (net of carryover)	\$32,800
Property & Casualty Insurance	\$20,000
Contractual increases for Police	\$48,000
Pinellas County Sheriff's Office agreement	\$4,000
Largo Fire & Rescue Services	\$27,000
Health Insurance	\$66,000
Additional Critical Needs Capital Set-aside	\$20,000
Additional Critical Needs Capital Purchases	\$5,000
<b>Total</b>	<b><u><u>\$222,800</u></u></b>

The Police Pension payment fluctuates each year depending on the most recent actuarial calculation of liability. The most recent calculation was slightly higher, partly due to increased overtime expenses related to Hurricane Irma. The increase to Property & Casualty is partly a result of adding the town's street lights to the schedule of insured property in the open. Generally property insurance in the marketplace increased in response to the significant hurricane-related claims last year. Largo Fire &

Rescue is calculated using a measurement of city costs known as the municipal cost index, which this year was calculated at close to 5%. The health insurance renewal increase is 14%, which is higher than in past years.

The capital equipment set-aside amount for the Police Department reflects an increase of \$16,500 to fund future replacement of the radio system, tasers and other equipment.

In reviewing current year capital purchase needs an expenditure of \$10,000 has been included for replacement of the shade structure at the Dimmitt Community Center as well as \$5,000 for police radio purchases.

**Additional budgetary issues for FY 2018-19**

The budget deficit that is projected does not include a cost of living adjustment (COLA) or merit increase for town employees. For purposes of consideration staff has prepared a cost estimate for a COLA of 1.5% as well as a merit increase of 2.5%.

The town may also wish to consider setting aside funds aside for the purpose of future facility maintenance and replacement for Town Hall, the Dimmitt Community Center and the John J. Osborne Public Works Building.

Amendment 1 would not directly impact the budget in FY 2018-19, however in FY 2019-20 the effect could be as much as \$200,000 at the current millage rate. Recovery of this amount would require an estimated 0.2668 mills.

Below is a summary of the cost of these additional items as well as an expression of these amounts in terms of millage levy:

<b>Expenditure Description</b>	<b>Magnitude (\$) Expressed as Millage</b>	
Budget Deficit	\$67,450	0.0947
1.5% Cost of Living Adjustment	\$35,000	0.0491
2.50 % Merit Increase	\$59,000	0.0828
3rd Homestead	\$200,000	0.2808
<b>Total</b>	<b>\$361,450</b>	<b>0.5075</b>

For purposes of discussion, below is a table showing the ad valorem proceeds associated with various millage levy increases:

<b>Millage Levy</b>	<b>Ad Valorem Revenue</b>
<b>0.25</b>	\$ 178,000
<b>0.50</b>	\$ 356,000
<b>0.75</b>	\$ 534,000
<b>1.00</b>	\$ 712,000

**Recommendation for Maximum Millage Levy**

Staff will be working in the coming weeks to identify opportunities for cost reduction as well as alternative revenue sources. All the same, staff is recommending that the maximum millage rate be set to a level that is at a minimum sufficient to eliminate the budget deficit. However, this is simply a year one fix, ongoing infrastructure concerns as well as reductions from Amendment 1 should inform this year's millage discussion as well. Just to balance the budget currently an increase of 0.0947 mills, or an equivalent of \$9.47 per \$100,000 of municipal taxable value would be required. This would bring the total millage rate in the Town of Belleair to 6.0204. This rate is higher than many municipalities in Pinellas County, however it is still significantly lower than the millage rate in the City of St. Petersburg, which is currently 6.7550. Several municipalities have indicated that they will be moving forward with significant (greater than .8 mills) millage increases as well. As the budget process moves forward it is staff's hope that the millage rate increase can be minimized.
