MEMORANDUM

DATE: February 19, 2021
TO: Mayor and Commissioners
FROM: J.P. Murphy, Town Manager
SUBJECT: Request for Variance –
Parcel No. 28-29-15-06732-041-0280

Property Owner: Melissa Hoglund
628 Pineland Ave
Belleair, Florida 33756

The following information is regarding the above referenced variance request.

- I. Existing conditions of land and structure(s):
 - A. Zoning designations: R-1 Single Family Residential
 - B. Original Construction date:
 - 1957
 - C. Structural and other improvements to date:
 - 2021-Interior renovation
 - D. Existing Easements: None shown on plans

II. Proposed request:

The applicant is requesting a variance, which would allow for the construction of a proposed garage addition. The addition would encroach into the required minimum ~~25 foot front yard setback~~ by approximately ~~20 feet 2 inches, resulting in 4 foot 8 inch front yard setback.~~ Please see site plan.

Just Request is to encroach 17 feet in front, but w/ new curb, it will be 49 feet from back of curb

TIME REC. _____

DATE 2/18/2021

To the Town Commission of the Town of Belleair, Florida

1. The undersigned, Melissa Hoglund, owner of Lot 28 and 29 Block 41, Subdivision Belleair Estates, property Commission of the Town of Belleair for a variance on the above-described property.
2. The property is presently zoned residential.
3. The present land use on the property is residential.
4. The decision involves Article II Section 74-113 of the Belleair Land Development Code.
5. The Commissions power arises under Article V, Section 66.253 of the Belleair Land Development Code.
6. The Relief prayed by the applicant is: ability to construct new garage within building setbacks. existing driveway to be reoriented for safety reasons.
7. The Justification for the request is (requests for the variances must demonstrate the practical difficulty or unnecessary hardship which justifies the variance): unsafe condition with proximity of driveway to intersection of Pineland and Mehlenbacher. layout will create home in-line with overall character of the neighborhood. shape of lot creates unnecessary hardship for new structure.
8. ** Egress change by county creates hardship.* Attached is a non-refundable fee to defray expenses incurred by the Town of Belleair in processing this application. (** Note: All costs incurred by the Town of Belleair, above and beyond the variance application fee, will be the responsibility of the applicant regardless of approval or denial of the request**)
9. I am aware that this request will be voided should I or my representative fail to appear at the public hearings scheduled to consider this request.
10. I am aware that any variance that may be granted will automatically expire twelve months after approval by the Town Commission unless a building permit id produced from the Town with respect to the improvements contemplated by this application for variance within said twelve month period unless the construction of said improvements is promptly commenced pursuant to the building permit and diligently pursued to completion thereafter.

FEE: \$300.00

Re: Pineland Variance request amendment

Melissa Hoglund <mghhealthstrategies@gmail.com>
To: JP Murphy <jmurphy@townofbelleair.net>

Thu, May 6, 8:08 AM

JP: please find my responses to the 6 considerations for variance approval as part of our amended application. I will Send the plan/drawing on a subsequent email.

Variance Considerations:

Before granting any variance, the town commission shall determine that:

1.

Special conditions and circumstances exist which are peculiar to the land, structure or buildings involved.

Answer: Clearly, given the now known fact that a) the Town of Belleair and the County knew about, and b) approve of, a plan to remove the Eastern most egress AND add 25 feet of grassy easement to back of curb, constitutes a "peculiar circumstance".

2.

The special conditions and circumstances do not result from the actions of the applicant.

Answer: As the owner of the property in question, I had no say in this capital change to the egress of my property.

3.

Literal interpretation of the provisions of this Code would work unnecessarily and undue hardship on the applicant.

Answer: Given these special circumstances, an enforcement of the front setback for "visual purposes" is a hardship. The home will still be set back from the curb as much as, in fact more than, the home that is currently closest to the curb on Pineland Ave. In fact, there will be 49 feet to the back of curb if this request is granted. An enforcement of two 25 foot setbacks on this "corner" for purpose of future roadway expansion and utility changes is unlikely to be necessary in the future given that this County project is exactly that circumstance.

1.

The variance, if granted, is the minimum variance that will make possible the reasonable use of the land, structure or building.

Answer: Given that a typical 2 car garage is 24 feet wide, and I am asking for one 22 feet wide, I feel it is the minimum possible. It is common for homes in the Town of Belleair to have 2 car garages. I know of other home owners in the Town of Belleair that have asked for variances for 2 car garages based on safety concerns, and they have been granted by this board. Given close proximity to new plans for a sidewalk that is expected to be highly populated by non-residents, I feel having a 2 car garage to lock up my 2 cars is justifiable given potential for crime.

5.

A Grant of Variance will be in harmony with the general intent and purpose of this Code, and that such variance will not be injurious to the zoning district involved or otherwise detrimental to the public interest.

Answer: yes

6.

A grant of variance will not result in any land use not specifically provided for in the schedule of district regulations for the zoning district in which the property is located.

Answer: No, a garage is allowed in the Town of Belleair.

February 19, 2021

Mr. Greg Lauda, Town Of Belleair

Mr. Lauda,

We have lived in this beautiful Town of Belleair since 1998. We absolutely love this Mayberry RFD community, it's government, it's residence, etc. It is always nice to see the town grow and proud that people moving into Belleair are putting money into enhancing their homes and the area.

Melissa Hoglund recently purchased the home at 628 Pineland Avenue, next door to ours at 624. She is already putting a lot of effort and money into making this a beautiful home. If you have not driven by, she is gutting the house, and starting all over. One of the first things she did, was clean up the overgrown yard. This property has been a rental since 2004. We have had nightmare tenants; and the owner did not care what the outside looked like, nor the tenants behavior. It has never looked like a property that belonged in Belleair. These initial improvements are genuine and well founded in Belleair principles.

I was approached by Melissa not long after she began renovations on the house. She asked if we would mind her moving the garage to the opposite end. I thought it was a brilliant idea. Her plans are to landscape and make the corner much safer.

The entire street of Pineland has been to several meetings to complain about the hazards of that corner. Traffic coming off Mehlenbacher onto Pineland does not slow down, and has nearly run us over many times. I believe allowing a garage on that end of the house would certainly be a huge Plus for her safety.

We are absolutely thrilled at the thought of Melissa doing anything to improve the house. Please grant the necessary permission to Ms Hogland to keep "Belleair Beautiful".

Phillip Wyllie & Irene Rue Wyllie

Dear Mr. Lauda,

My name is Jith Wallace and I am the homeowner and resident of 632 Mehlenbacher Rd. I am writing on behalf of the Hoglunds at 628 Pineland in regards to their desire to add a garage to their property.

In the few weeks the Hoglunds have owned the property, they have made drastic improvements. They have cleared out plants in front and on the side of the property to help the views, and started to redo the interior. They are also working with me to extend our neighboring fence line and plant a more desirable beam that would be visible off Mehlenbacher. I have no doubts that everything they envision will help the property values and the visuals of our corner of Bellair! Adding a garage should not only help the Hoglunds but also all the properties around them. Thank you for your time!

Peace and blessings,

Jith Wallace

To whom it may concern

I understand that Melissa Hoglund who bought the property located at 628 Pineland, would like to build a garage on her property. Considering what the property used to look like I can only think this would be an improvement & should NOT be a problem with anyone.

Sincerely

Sharon Johnston
