WITNESSETH:

WHEREAS, pursuant to Section 334.03(21), Florida Statutes (2017), right-of-way is defined as "land in which the state, the department, a county, or a municipality owns the fee or has an easement devoted to or required for use as a transportation facility;" and

WHEREAS, pursuant to Section 335.0415, Florida Statutes (2017), the jurisdiction and responsibility for operation and maintenance of public roads is that which existed on June 10, 1995 and may be transferred by mutual agreement of the COUNTY and the TOWN; and

WHEREAS, Section 337.29(3), Florida Statutes (2017), provides that title to roads transferred pursuant to Section 335.0415 shall be in the government entity to which such roads have been transferred upon the recording of a deed or right-of-way map in the public records; and

WHEREAS, the Road Segments have been regularly maintained by the COUNTY and/or the TOWN, jointly or severally, for the immediate past 7 years;

WHEREAS, the COUNTY and the TOWN have determined that it is in the best interest of the Parties that responsibility for the operation, maintenance, planning, design and construction of the Road Segments be transferred to the TOWN and any future improvements thereto will belong to the TOWN.

NOW, THEREFORE, in consideration of the promises and the mutual covenants contained herein, the Parties hereby agree as follows:

1. The above recitals are true and correct and incorporated herein.
2. The COUNTY'S jurisdiction, rights, interest and title, if any, and control of all segments of public Roads, as defined in Section 334.03 (22), Florida Statutes (2017), listed in Exhibit A and depicted in Exhibit B attached hereto (hereinafter "Road Segments") are transferred and conveyed to the TOWN's City Street System, such transfer to include maintenance responsibilities for stormwater facilities as identified in Section 334.03(22).
3. Within 30 days of the execution of this agreement by both Parties, the COUNTY will file a right-of-way map which is substantially the same as that attached hereto as Exhibit B. In accordance with Section 337.29 (3), Florida Statutes (2017), upon the recording of the right-of-way map the TOWN accepts all legal rights, responsibilities, and obligations with respect to the Road Segments, including but not limited to the operation, planning, design, construction, improvement, and maintenance of the Road Segments, including stormwater drainage and facilities, including mitigation sites, within and appurtenant to the rights-of-way transferred herein and the permitting associated therewith. The TOWN shall also have the same governmental, corporate, and proprietary powers with relation to the Road Segments as the TOWN has with relation to other public roads and rights-of-way within the TOWN's City Street System.
4. The TOWN recognizes that the COUNTY may have utilities located within the road segments which are being transferred as part of this agreement. The Parties recognize that this agreement does not affect those utilities as they currently exist, but the COUNTY will be subject to the TOWN's requirements, including permitting, for subsequent modifications or the placement of additional utilities.
5. As limited by Section 768.28, Florida Statutes, the Parties shall remain responsible for any tort liability for any actions arising out of their prior maintenance of any Road Segment and in accordance with Section 337.29, Florida Statutes (2017), the COUNTY shall remain responsible for any tort liability for any actions arising out of the COUNTY's operation of the Road Segments prior to the recording of the right of way map transferring the Road Segments to the City Street System. Except as otherwise provided herein, the TOWN and the COUNTY agree that no indemnification or hold harmless agreement shall be in effect concerning any claims, demands, damages and causes of action that may be brought against either party pursuant to this Agreement. The TOWN and the COUNTY shall each individually defend any action or proceedings brought against their respective agencies pursuant to this Agreement and shall be individually responsible for all of their respective costs, attorneys' fees, expenses and liabilities incurred as a result of any such claims, demands, suits, actions, damages and causes of action, including the investigation or the defense thereof, and from and against any orders, judgments or decrees that may be entered as a result thereof. Nothing herein is intended to serve as a waiver of any immunity from or limitation of liability that either the TOWN or COUNTY are entitled to under the doctrine of sovereign immunity or Section 768.28, Florida Statutes. Nothing herein shall be construed as consent by the COUNTY or TOWN to be sued by third parties in any matter arising out of this Agreement.

6. COUNTY shall provide TOWN with a list of all completed, planned and/or unfunded roadway/sidewalk/stripping projects for the Road Segments and, upon the City Manager's request, access to Plans, Specifications, Drawings, and Permits for such projects if available.
