Application for Police Permit Services *Conditions of Permit*

Fee Schedule

All individuals working a permit assignment will receive a minimum of three and one-half (3½) hours pay per assignment. The per hour charges for police permit services will be calculated at the following rate for officers and a flat rate for the Lieutenant and Chief:

Officer: \$45.00 per officer

Lieutenant: \$165

Chief: \$200

The above fee schedule is subject to change with a 14-day advance notice to the permittee. All changes made to the fee schedule will be consistent with, and pursuant to, the current police labor contract(s).

General Requirement

Requests for permit assignments will require seven (7) days' prior notice. Exceptions will be at the discretion of the Chief of Police or his designee.

Payment for services should be made by check or money order made payable to the "Town of Belleair."

Payment for services estimated at three thousand dollars (\$3,000) or more will be made by cashier's check or money order.

Permit Cancellation

The Police Department may cancel a permit at any time with or without cause.

The permittee may cancel a permit by contacting the Police Department 48 hours in advance of the date and time of the permit service. If this 48-hour notice is not given, the permittee will compensate the Department at three and one-half (3½) hours pay for each scheduled individual.

To cancel a permit assignment, the permittee should call the Police Department at 727-588-3769 during normal business hours (Monday – Friday, 8:00 am to 5:00 pm). At any other time, an on-duty Belleair Officer should be contacted through the Sheriff's Communications Center at 727-582-6200.

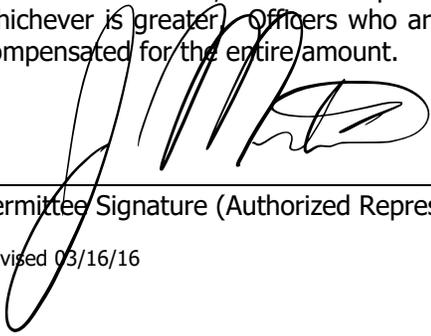

Status of Law Enforcement Officers Performing Service

Law enforcement officers performing services under the terms of a permit will be deemed to be acting within the scope and course of their official duties; their principal responsibility will remain to the Department and/or the general public.

Staffing Provisions

The Chief of Police or his designee will review all permit assignment applications prior to approval. Staffing needs will be evaluated. If a deficiency appears, the permittee may be required to contract for more officers than originally requested.

During a permit assignment, a police supervisor will have the discretion to release individuals from duty in the event their services are no longer needed. In the absence of a supervisor, the officer will contact the Lieutenant or Chief, who may, at their discretion, release the officer(s). Officers relieved under this provision, who have worked less than one half of the contracted time, will be compensated for the minimum three and one-half hours or half of the contracted time, whichever is greater. Officers who are relieved early but have worked one half or more of the contracted time will be compensated for the entire amount.
