

**James McArthur**  
**Senior Vice President, Wealth and Family Office Services**

James McArthur is a member of the Family Offices Services team and oversees client relationships, community relations, and business development for the Belleair Office and surrounding Pinellas County area. He specializes in serving high net worth families with sophisticated estates spanning multiple generations. James has more than 35 years of experience in management consulting, finance, restructuring, special situations, turnarounds, family succession, and governance. Prior to combining his firm with the Trust Company, James founded Southern Capital Strategies, a well-respected Florida based firm serving closely held corporations, investors, lenders, and family offices. His experience includes executive roles in CRO, CFO, and CEO capacities in various industries including commercial finance, banking, manufacturing, distribution, transportation, environmental engineering, agriculture, lodging and resorts, land management, and real estate. He is a past president of the Florida Chapter of the Turnaround Management Association (TMA), board member of the Association for Corporate Growth (ACG) and Commercial Finance Association (CFA), and he often participates in panel discussions on his area of expertise. James is an experienced public speaker and serves on a variety of non-profit boards in his community. He is a graduate of Wofford College, Spartanburg, SC.
