 From: JP Murphy, Town Manager
 Date: 8/30/2017

Subject:
 First Budget Hearing - Approval of Fiscal Year 2017-2018 Tentative Millage Rate

Summary:
 This is the first of two public hearings for the approval of the FY 2017-2018 Town Budget. Staff will provide a brief presentation at the hearing. Additional information about the budget is attached to the budget agenda item.

Previous Commission Action: The Town Commission approved a maximum millage preliminary rate of 5.9257 for the town and reviewed the budget in August, and subsequently reviewed the proposed budget at the August 24th workshop.

Background/Problem Discussion: The Fiscal Year 2017-2018 operating millage rate is proposed at 5.9257 mills, which is greater than the rolled-back rate by 5.87%.

The final millage rate cannot exceed the previously set maximum millage rate (MMP) of 5.9257. The Commission may set a final rate equal to, or less than the MMP. The proposed fiscal year 2017-18 millage is 5.9257: 4.9427 to the General Fund, and 0.9830 to the Infrastructure Fund, which is the same distribution as the prior year. All millage calculations are based upon the certified total taxable value of \$713,138,935, a 6.35% increase from the prior year. All funds are balanced at the proposed millage.

Expenditure Challenges Total Town-wide Expenditures for 17-18 are \$14,988,375

Financial Implications: Ad valorem supported funds expenditures total \$11,429,725. Total ad valorem proceeds at the proposed rate are expected to be \$4,088,450.

Recommendation: I recommend approval of the 5.9257 millage rate.

Proposed Motion I move approval of setting the tentative millage rate at 5.9257, providing that the increase is 5.87% over the rolled back rate.

 First Budget Hearing - Approval of Tentative Fiscal Year 2017-2018 Town Budget

Summary:
 This is the first of two public hearings for the approval of the fiscal year 2017-18 Town. Budget spreadsheets are attached. Staff will provide a brief presentation at the hearing. Reconciling sheets will be provided prior to the meeting, but were not available at the time of agenda packet generation.

Previous Commission Action: The Town Commission approved the maximum millage preliminary rate of 5.9257 and reviewed the budget in August. The commission also held a workshop on August 24th.

Background/Problem Discussion:
 GENERAL FUND

Revenues
 Ad Valorem revenues have increased 8.125% for the upcoming year, which equates to an increase of \$256,250. Communication Services Tax has increased by \$11,850 as compared to last year’s budget, totaling \$178,300. State Revenue Sharing saw a minor increase of \$1,950, while State Sales Tax has a larger increase of \$3,250.

As part of the new construction associated with the Golf Course, building permit revenue has increased by \$75,000, bringing this year’s total to \$375,000. Once this construction finishes, Staff expects the decrease of revenue to be replaced with an increase of Ad Valorem.

Miscellaneous revenue increased by \$14,700.

The staff has rectified any sort of structural imbalances within the revenue of this budget by halting transfers

from reserves. This prevents the Town's reserves from depleting entirely but also created a large hole in the general revenue.

Expenditures

Overall expenditure impacts across all funds include a health insurance increase of 7% and a salary enhancement of 3% increase for all employees.

Administration - The overall budget for this department has increased by \$52,140, totaling \$614,290. This increase is largely due to personnel expenses, which incorporates a placeholder for the cost of the fund's salary enhancement for employees.

Building - Increased costs for this department are related to contracted inspection costs. This increase in cost is currently at the maximum potential of \$87,360 due to the influx of inspections for the Pelican Course and Belleview Place.

Support Services - This department's expenses increased by \$193,450 this year mainly due to personnel expenses. A large majority of this is from the department absorbing building maintenance division from Public Works.

Police - The largest area for increased expenditures in this department is personnel costs. Salaries increased from the contractual 4.5% enhancement, as well as from inclusions of shift differentials for the officers. Due to this change, other personnel lines inflated as well.

Public Works - Though Public Works shed building maintenance; the department expanded with the inclusion of the Parks division from the Recreation department. The rationale is to have the expenses for Parks and Streets combine for reporting and management reasons.

Recreation - This department is experiencing a decrease in expenditure this fiscal year directly associated with the reappropriation of the Parks division.

ENTERPRISE FUNDS

Water Department

Revenues

Water Utility Revenue is expected to increase by \$23,000 in comparison to the prior year. Staff utilized annualize average water usage data from 2014-15, 2015-16, and a proration of 2016-17 fiscal years for consumption calculations.

Expenditures

Minor increases were made to operating expenditures, with the largest change coming from Capital Purchase. In the upcoming fiscal year, the department needs to replace sand filters (\$62,000) and rehabilitate wells (\$55,000).

Solid Waste Department

Revenues

The Sanitation line item, which is the collection of sanitation fees, is seeing a decrease of about \$20,000. This decrease is based on a reconciliation of customers' accounts and prior revenue assumptions.

Expenditures

With Belleair's pilot recycling program continuing, costs connected with the recycling line item have decreased about \$19,750. However, Depreciation for Solid Waste has increased by \$16,500, totaling \$77,500 for this fiscal year. This is due to the expected purchase of two new vehicles to aid this department with efficiencies, including a shortened life cycle.

MINOR FUNDS

Local Option Gas Tax Fund - This fund is used to collect local option gas tax levied by the state. There will be no changes to this fund in this fiscal year, stabilizing at \$55,050.

Tree Fund - This fund is expecting permit revenue of \$10,000, combining with \$5,000 already in reserves, totaling \$15,000. The proceeds will be used for tree replacement.

Capital Projects Fund - This fund is utilized for capital improvements. There is an increase from the Penny for Pinellas of \$30,100, as well as an increase in Electric Utility Tax of \$30,000. The Town will continue to move forward with the approved Capital Improvement Plan (CIP) titled "Plan 2".

Wastewater Fund - This fund is used to collect revenues for Pinellas County Sewer and acts as a pass through. There are no changes to this fund.

Expenditure Challenges N/A

Financial Implications: N/a

Recommendation: Staff recommend approval of the tentative budget as proposed

Proposed Motion I move approval of the tentative budget for the fiscal year 17-18 as proposed.

NOTE: This tax roll summary is provided in the same format as the annual June 1 tax roll estimates at the request of the taxing authorities, but is not the official tax roll recap. Some values on this report may not balance against the annual DR-489 or DR-403 Recap forms due to centrally assessed property and lands available for taxes. This report may reflect changes to the tax roll from certification to the report date.

When establishing budgets or analyzing the tax roll, please rely on the official tax roll recap forms (DR-489s/DR-403s), DR-420s/422s, and the certified tax roll database. Roll recaps and reports are available online at www.pcpao.org/pvr/

Subject:
 Proclamation for the “Spirit of Belleair” Award for Miss Victoria Solonina

Summary:
 Miss Victoria Solonina, who passed away earlier this year, is a contender for the Town’s first “Spirit of Belleair” award.

Previous Commission Action: At its last meeting, the Commission discussed and approved the creation of the “Spirit of Belleair” award as a way to honor remarkable Belleair residents whose achievements may not align with those required for the Humanitarian Service Award. At the same time, the Commission also recognized that longtime Belleair resident, Miss Victoria Solonina, may be a fitting choice as the award’s first recipient.

Background/Problem Discussion: Miss Victoria, who passed away in February of 2017, lived in Belleair for many years and was a world-renowned classical pianist. Miss Victoria donated her services to many free concerts in Belleair, where residents and visitors alike gathered in Town Hall to hear her play. As a way to honor Miss Victoria’s contributions to bring Belleair together through her music and passion, a proclamation for the first “Spirit of Belleair” award has been attached for the Commission’s review.

Expenditure Challenges None.

Financial Implications: None.

Recommendation: None.

Proposed Motion I make a motion to posthumously award Miss Victoria Solonina the first “Spirit of Belleair” award.

***HONORING MISS VICTORIA SOLONINA
WITH THE “SPIRIT OF BELLEAIR” AWARD***

WHEREAS, God in his wisdom called to eternal rest Victoria Solonina, who departed this life on the 4th of February, A.D., Two Thousand and Seventeen; and

WHEREAS, Miss Victoria was a world-renowned concert pianist and long-time Belleair resident who continuously gave back to our community through her music; and

WHEREAS, Miss Victoria starred in many Belleair concerts, for which she donated her services to packed houses; and

WHEREAS, Miss Victoria was a committed resident and well-respected member of our town’s community; and

WHEREAS, the members of this Commission desire to pay tribute and respect in her memory.

NOW, THEREFORE, I, GARY H. KATICA, Mayor of the Town of Belleair, Florida, on behalf of the Commission do hereby posthumously award Miss Victoria Solonina with the first ever “Spirit of Belleair” achievement award for her embodiment of civic duty and community pride.

*GIVEN under our hand and the seal of
the TOWN OF BELLEAIR, FLORIDA,
this 5th day of SEPTEMBER, A.D.,

Subject:
Acceptance of "Taps" Memorial and Pavers

Summary:

The armed forces museum in Dunedin recently closed and the Piazza Family would like to donate the "Taps" monument from the Museum to the town for placement in Hunter Park. As you can see from the attached pictures, the monument is a bronze replication of a soldier's helmet atop three rifles indicative of the rifles used in our major conflicts, above a bugle. Thus symbolizing a soldier's memorial and the bugler's song when a soldier is buried with military honors. The entire monument is mounted atop a granite base. In addition to the monument, there are adjacent dedication pavers which would also convey to the town as well. The Piazza Family and the Belleair Community Foundation have offered to take care of the relocation and placement cost to place the monument in Hunter Park. Preliminary placement suggestions include placing it mid-park along the pathway so that the new monument itself would be another standalone feature.

Previous Commission Action: The commission previously accepted donations for military dedications in Hunter Park

Background/Problem Discussion: The Piazza Family wishes to donate the "Taps" Monument and pavers to the Town. Their only request to have a sign that states that it was donated in honor of Mr. Piazza and the Armed Forces Museum.

Expenditure Challenges Some staff time will be required for placement and periodic cleaning.

Financial Implications: The BCF has offered to take care of the relocation expenses.

Recommendation: The monument is a fitting use for the park and appears to be non-controversial in nature. Staff recommends approval

Proposed Motion I move that the Commission accepts the donation of the “Taps’ monument and dedicated pavers, and further allow for their placement in Hunter Park at the discretion of Town Staff.
