

March 23, 2017

Dear Mayor and Commissioners,

Please accept this letter as notice of my resignation from the position of Town Manager at Town of Belleair.

Although this has been a difficult decision to make, I have been offered an opportunity that I believe will help me reach my long-term career goals. From speaking to each of you, I know that you understand my reasons for leaving and I appreciate how supportive you have been.

As per the terms of my employment contract, I will continue to work for the Town for the next forty-five days, completing my employment on May 7, 2017. Until that time, I will work to transition my work to various members of the town staff, while ensuring that the town is in a position where it and its next manager can succeed.

The last thirteen and a half years have been some of the best in my life. You, as well as those who preceded you, have always supported me and allowed us to tackle some complicated but important topics. The Biltmore, infrastructure plans, budget shortfalls, golf course purchases, the construction of the Dimmitt Community Center and the John J. Osborne Building, the reconstruction of the police department, the list goes on. I am so proud of what we have accomplished, and has truly been a partnership.

I leave this position knowing I owe a great deal to this town, those who live in it, those who work for it, and those who govern it. But I also leave comforted that no matter the challenges, we have done our best to make the Town of Belleair a better place. I wish you all the best as you continue to make Belleair a better place, and I look forward to working with you to make our community as a whole a better place.

Sincerely,

Micah Maxwell, ICMA-CM
Town Manager
