7. Criteria for Evaluating Applications:

In addition to all other article provisions, the Commission shall consider the following criteria in evaluating applications for a Special Certificate of Appropriateness for demolition of designated properties:

- a. Is the structure of such interest or quality that it would reasonably meet national, state, or local criteria for designation as a historic structure or is so designated?
- b. Is the structure of such design, craftsmanship, or material that it could be reproduced only with great difficulty and/or expense?
- c. Is the structure one of the last remaining examples of its kind in the neighborhood, the county, or region?
- d. Does the structure contribute significantly to the historic character of a designated district?
- e. Would retaining the structure promote the general welfare of the town by providing an opportunity for study of local history, architecture, and design or by developing an understanding of the importance and value of a particular culture and heritage?
- f. Are there definite plans for reuse of the property if the proposed demolition is carried out, and what will be the effect of those plans on the character of the surrounding area?

N/A

8. Owner Attestation:

The information on this application represents an accurate description of the proposed work. The undersigned has omitted nothing that might affect the decision of the Town Commission, and hereby certifies that the project described in this application, as detailed by plans and specifications enclosed, will be constructed in exact accordance with aforesaid plans and specifications. It is understood that approval of this application by the Town Commission in no way constitutes approval of building permit or other required Town or County permit.
