To the Town Commission:

Our family lives at 21 Evonaire Circle, across the street from the Ford's home. Scott and Ally are proposing to install a pool in their side yard – which, due to the corner location, is considered a front yard by the Town. Our house faces the proposed pool location. We wholly support this proposal and encourage you to support it as well. The variance will not reduce the values of a home; and, as is well known, pools generally increase the value of a home.

Please vote yes on the proposed variance.

Regards-

Katie & Clint Cole
