Such approval must be in writing, explain the reason for the extension and be signed by the DISTRICT'S Contract Manager and his or her Bureau Chief, or Director if the Bureau Chief is the DISTRICT'S Contract Manager, unless the DISTRICT'S Signature Authority provides otherwise. The DISTRICT'S Signature Authority supersedes the approval requirements provided in this Subparagraph. The DISTRICT'S Contract Manager is not authorized to approve any time extension which will result in an increased cost to the DISTRICT or which will exceed the expiration date set forth in this Agreement.
- 1.2 The DISTRICT'S Contract Manager is authorized to adjust a line item amount of the Project Budget set forth in the Project Plan, or, if applicable, the refined budget as set forth in Subparagraph 4 of the Funding Paragraph. The authorization must be in writing, explain the reason for the adjustment, and be signed by all appropriate DISTRICT staff in accordance with the DISTRICT'S Signature Authority. The DISTRICT'S Contract Manager is not authorized to make changes to the Scope of Work and is not authorized to approve any increase in the amounts set forth in the Funding Paragraph of this Agreement.

## 2. SCOPE OF WORK.

Upon receipt of written notice to proceed from the DISTRICT, the COOPERATOR shall perform the services necessary to complete the PROJECT in accordance with the Project Plan. Any changes to this Agreement, except as provided herein, must be mutually agreed to in a formal written amendment approved by the DISTRICT and the COOPERATOR prior to being performed by the COOPERATOR. The COOPERATOR shall be solely responsible for managing and controlling the PROJECT, including the hiring and supervising of any consultants or contractors it engages.

- 2.1 The parties agree that time is of the essence in the performance of each obligation under this Agreement.
- 2.2 The parties acknowledge that the PROJECT is a feasibility study. The parties recognize that during the course of study, alternatives may be determined to not be feasible due to cost, water quality, permitability, supply availability, or other

pertinent considerations. The COOPERATOR shall cease work on alternatives determined to not be feasible. The COOPERATOR may request reallocating funds to another alternative in accordance with Subparagraph 2 of the Project Contacts and Notices Paragraph of this Agreement. The approval of such request for reallocation of funds shall be in the DISTRICT'S sole discretion.

### 3. FUNDING.

The parties anticipate that the total cost of the PROJECT will be Two Hundred Seventy Thousand Dollars (\$270,000). The DISTRICT agrees to fund PROJECT costs up to One Hundred Thirty-Five Thousand Dollars (\$135,000) and shall have no obligation to pay any costs beyond this maximum amount. The COOPERATOR agrees to provide all remaining funds necessary for the satisfactory completion of the PROJECT.

- 3.1 The DISTRICT'S performance and payment pursuant to this Agreement are contingent upon the DISTRICT'S Governing Board appropriating funds in its approved budget for the PROJECT in each fiscal year of this Agreement. The COOPERATOR'S payment of any financial obligation under this Agreement is subject to appropriation by the COOPERATOR'S Commission of legally available funds.
- 3.2 The COOPERATOR shall pay PROJECT costs prior to requesting reimbursement from the DISTRICT. The DISTRICT shall reimburse the COOPERATOR for the DISTRICT'S share of allowable PROJECT costs in accordance with the Project Budget set forth in the Project Plan. Reimbursement for expenditures of contingency funds is contingent upon approval by the DISTRICT. If a reimbursement request includes expenditures of contingency funds, the COOPERATOR shall provide sufficient documentation to the DISTRICT to explain the basis of the expenditures. The DISTRICT shall not reimburse the COOPERATOR for any expenditures of contingency funds that the DISTRICT determines, in its sole discretion, to be in excess of what was reasonably necessary to complete the PROJECT. The DISTRICT shall reimburse the COOPERATOR for fifty percent (50%) of all allowable costs in each DISTRICT approved invoice received from the COOPERATOR, but at no point in time will the DISTRICT'S expenditure amounts under this Agreement exceed expenditures made by the COOPERATOR.
- 3.3 Unless otherwise provided in the Project Plan, any federal or state appropriations, or grant monies received by the COOPERATOR for the PROJECT shall be applied to equally reduce each party's share of PROJECT costs. The COOPERATOR shall provide the DISTRICT with written documentation detailing its allocation of any such funds appropriated for the PROJECT. This Subparagraph shall survive the expiration or termination of this Agreement.
- 3.4 The COOPERATOR may contract with consultant(s), contractor(s) or both to accomplish the PROJECT. Prior to posting solicitations, the COOPERATOR must obtain the DISTRICT'S written input regarding whether costs to be paid are allowable under this Agreement. The COOPERATOR must also obtain the DISTRICT'S written approval prior to entering into agreements for PROJECT work

to ensure that costs to be reimbursed by the DISTRICT are reasonable. The DISTRICT shall provide a written response to the COOPERATOR within twenty-one (21) days of receipt of the solicitation or agreement. Upon written DISTRICT approval, the budget amounts for the work set forth in such agreement(s) shall refine the amounts set forth in the Project Budget and be incorporated herein by reference. The DISTRICT shall not reimburse the COOPERATOR for costs incurred under consultant and contractor agreements until the DISTRICT approvals required under this Subparagraph have been obtained.

- 3.5 Payment shall be made to the COOPERATOR within forty-five (45) days of receipt of an invoice with adequate supporting documentation to satisfy auditing purposes. If necessary for audit purposes, the COOPERATOR shall provide additional supporting information as required to document invoices. Invoices shall be submitted to the DISTRICT every two (2) months electronically at [invoices@WaterMatters.org](mailto:invoices@WaterMatters.org), or at the following address:

Accounts Payable Section  
Southwest Florida Water Management District  
Post Office Box 15436  
Brooksville, Florida 34604-5436

The above-referenced payment due date shall not apply to that portion of an invoice that includes expenditures of contingency funds. The DISTRICT agrees to reimburse the COOPERATOR for expenditures of contingency funds within a reasonable time to accommodate the process provided for in Subparagraph 2 of this Funding Paragraph.

In addition to sending an original invoice to the DISTRICT'S Accounts Payable Section as required above, copies of invoices may also be submitted to the DISTRICT'S Contract Manager in order to expedite the review process. Failure of the COOPERATOR to submit invoices to the DISTRICT in the manner provided herein shall relieve the DISTRICT of its obligation to pay within the aforementioned timeframe.

The DISTRICT makes payments electronically through the Automated Clearing House (ACH) process. The COOPERATOR agrees to complete the DISTRICT'S *Vendor Registration Form* and *Vendor Electronic Payment Authorization Form* to enable payments to be sent to the COOPERATOR electronically. The forms may be downloaded from the DISTRICT'S website at [www.watermatters.org](http://www.watermatters.org) under Business & Finance – Contracts and Procurement. Any questions regarding electronic payments may be directed to the DISTRICT'S Accounts Payable Lead at 352-796-7211, extension 4108.

- 3.6 The parties acknowledge that the PROJECT was approved for funding by the DISTRICT based upon the resource benefits expected to be achieved by the PROJECT (the "Measurable Benefit"). The parties also acknowledge that the COOPERATOR is solely responsible for implementing the PROJECT in such a manner that the expected resource benefits are achieved. If at any point during the progression of the PROJECT, the DISTRICT determines that it is likely that the

Measurable Benefit as set forth in the Project Plan will not be achieved, the DISTRICT shall provide the COOPERATOR with fifteen (15) days advance written notice that the DISTRICT shall withhold payments to the COOPERATOR until such time as the COOPERATOR demonstrates that the PROJECT shall achieve the required resource benefits, to provide the COOPERATOR with an opportunity to cure the deficiencies.

3.7 Any travel expenses which may be authorized under this Agreement shall be paid in accordance with Section 112.061, Florida Statutes (F.S.), as may be amended from time to time. The DISTRICT shall not reimburse the COOPERATOR for any purpose not specifically identified in the Scope of Work Paragraph. Surcharges added to third party invoices are not considered an allowable cost under this Agreement. Costs associated with in-kind services provided by the COOPERATOR are not reimbursable by the DISTRICT and may not be included in the COOPERATOR'S share of funding contributions under this Agreement.

3.8 Each COOPERATOR invoice must include the following certification, and the COOPERATOR hereby delegates authority by virtue of this Agreement to its Project Manager to affirm said certification:

"I hereby certify that the costs requested for reimbursement and the COOPERATOR'S matching funds, as represented in this invoice, are directly related to the performance under the Bluff Restoration and Erosion Abatement (Q175) agreement between the Southwest Florida Water Management District and Town of Belleair (Agreement No 21CF0003387), are allowable, allocable, properly documented, and are in accordance with the approved Project Budget. This invoice includes \$\_\_\_\_\_ of contingency funds expenditures. The COOPERATOR has been allocated a total of \$\_\_\_\_\_ in federal and state appropriations and/or grant monies for the PROJECT (not including DISTRICT funds) and \$\_\_\_\_\_ has been allocated to this invoice, reducing the DISTRICT'S and COOPERATOR'S share to \$\_\_\_\_\_ / \$\_\_\_\_\_ respectively."

3.9 In the event any dispute or disagreement arises during the course of the PROJECT, including whether expenses are reimbursable under this Agreement, the COOPERATOR will continue to perform the PROJECT work in accordance with the Project Plan. The COOPERATOR is under a duty to seek clarification and resolution of any issue, discrepancy, or dispute by providing the details and basis of the dispute to the DISTRICT'S Contract Manager no later than ten (10) days after the precipitating event. If not resolved by the DISTRICT'S Contract Manager, in consultation with his or her Bureau Chief, within ten (10) days of receipt of notice, the dispute will be forwarded to the DISTRICT'S Assistant Executive Director. The DISTRICT'S Assistant Executive Director in consultation with the DISTRICT'S Office of General Counsel will issue the DISTRICT'S final determination. The COOPERATOR'S continuation of the PROJECT work as required under this Subparagraph shall not constitute a waiver of any legal remedy available to the COOPERATOR concerning the dispute.

4. COMPLETION DATES.

The COOPERATOR shall commence and complete the PROJECT and meet the task deadlines in accordance with the Project Schedule set forth in the Project Plan, including any extensions of time provided by the DISTRICT in accordance with Subparagraph 1 of the Project Contacts and Notices Paragraph. In the event of hurricanes, tornados, floods, acts of God, acts of war, or other such catastrophes, or other man-made emergencies such as labor strikes or riots, which are beyond the control of the COOPERATOR, the COOPERATOR'S obligations to meet the time frames provided in this Agreement shall be suspended for the period of time the condition continues to exist. During such suspension, this Agreement shall remain in effect. When the COOPERATOR is able to resume performance of its obligations under this Agreement, in whole or in part, it shall immediately give the DISTRICT written notice to that effect and shall resume performance no later than two (2) working days after the notice is delivered. The suspension of the COOPERATOR'S obligations provided for in this Paragraph shall be the COOPERATOR'S sole remedy for the delays set forth herein.

5. REPAYMENT.

- 5.1 The COOPERATOR shall repay the DISTRICT all funds the DISTRICT paid to the COOPERATOR under this Agreement, if: a) the COOPERATOR fails to complete the PROJECT in accordance with the terms and conditions of this Agreement, including failing to achieve the Measurable Benefit, as it may be modified in accordance with Subparagraph 2 of the Scope of Work Paragraph; b) the DISTRICT determines, in its sole discretion and judgment, that the COOPERATOR has failed to maintain scheduled progress of the PROJECT thereby endangering the timely performance of this Agreement; c) the COOPERATOR fails to appropriate sufficient funds to meet the task deadlines, unless extended in accordance with Subparagraph 1 of the Project Contacts and Notices Paragraph; or d) a Paragraph or Paragraphs of this Agreement setting forth the requirements or expectations of a Measurable Benefit resulting from the PROJECT is held to be invalid, illegal or unenforceable during the term of this Agreement. Should any of the above conditions exist that require the COOPERATOR to repay the DISTRICT, this Agreement shall terminate in accordance with the procedure set forth in the Default Paragraph.
- 5.2 Notwithstanding the above, the parties acknowledge that if the PROJECT fails to achieve the Measurable Benefit set forth in the Project Plan, the COOPERATOR may request the DISTRICT Governing Board to waive the repayment obligation, in whole or in part.
- 5.3 In the event the COOPERATOR is obligated to repay the DISTRICT under any Paragraph of this Agreement, the COOPERATOR shall repay the DISTRICT within a reasonable time, as determined by the DISTRICT in its sole discretion.
- 5.4 The COOPERATOR shall pay attorneys' fees and costs incurred by the DISTRICT, including appeals, as a result of the COOPERATOR'S failure to repay the DISTRICT as required by this Agreement.

5.5 This Repayment Paragraph, including all subparagraphs, shall survive the expiration or termination of this Agreement.

6. CONTRACT PERIOD.

This Agreement shall be effective October 1, 2020, and shall remain in effect through December 31, 2023, or upon satisfactory completion of the PROJECT and subsequent reimbursement to the COOPERATOR, whichever occurs first, unless amended in writing by the parties. The COOPERATOR shall not be eligible for reimbursement for any work that is commenced, or costs that are incurred, prior to the effective date of this Agreement.

7. PROJECT RECORDS AND DOCUMENTS.

Upon request by the DISTRICT, the COOPERATOR shall permit the DISTRICT to examine or audit all PROJECT related records and documents during or following completion of the PROJECT at no cost to the DISTRICT. Payments made to the COOPERATOR under this Agreement shall be reduced for amounts found to be not allowable under this Agreement by an audit. If an audit is undertaken by either party, all required records shall be maintained until the audit has been completed and all questions arising from it are resolved. Each party shall maintain all such records and documents for at least five (5) years following completion of the PROJECT. Each party shall comply with Chapter 119, F.S., the Public Records Act, including allowing public access to PROJECT documents and materials made or received by either party. Should either party assert any exemption to the requirements of Chapter 119, F.S., the burden of establishing such exemption, by way of injunctive or other relief as provided by law, shall be upon the asserting party. This Paragraph shall survive the expiration or termination of this Agreement.

8. OWNERSHIP OF DOCUMENTS AND OTHER MATERIALS.

All documents, including reports, drawings, estimates, programs, manuals, specifications, and all goods or products, including intellectual property and rights thereto, purchased under this Agreement with DISTRICT funds or developed in connection with this Agreement shall be and shall remain the property of the DISTRICT and the COOPERATOR, jointly. Notwithstanding the above, all infrastructure shall be and shall remain the sole property of the COOPERATOR. This Paragraph shall survive the expiration or termination of this Agreement.

9. REPORTS.

9.1 The COOPERATOR shall provide the DISTRICT with a quarterly report describing the progress of the PROJECT tasks, adherence to the Project Schedule and any developments affecting the PROJECT. The COOPERATOR shall promptly advise the DISTRICT of issues that arise that may impact the successful and timely completion of the PROJECT. Quarterly reports shall be submitted to the DISTRICT'S Contract Manager no later than forty-five (45) days following the completion of the quarterly reporting period. It is hereby understood and agreed by

the parties that the term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30 and December 31.

- 9.2 Upon request by the DISTRICT, the COOPERATOR shall provide the DISTRICT with copies of all data, reports, models, studies, maps or other documents resulting from the PROJECT. Additionally, one (1) set, electronic and hardcopy, of any final reports must be submitted to the DISTRICT as Record and Library copies. This Subparagraph shall survive the expiration or termination of this Agreement.
  - 9.3 The COOPERATOR shall provide the DISTRICT with each deliverable set forth in the Project Plan for review by the DISTRICT, including any supporting documentation. The DISTRICT shall provide a written response to the COOPERATOR and the COOPERATOR shall respond to the DISTRICT'S questions and concerns within the timeframes set forth in the Project Plan.
  - 9.4 The COOPERATOR shall provide the data, reports and documents referenced in this Paragraph at no cost to the DISTRICT.
10. RISK, LIABILITY, AND INDEMNITY.
- 10.1 To the extent permitted by Florida law, the COOPERATOR assumes all risks relating to the PROJECT and agrees to be solely liable for, and to indemnify and hold the DISTRICT harmless from all claims, loss, damage and other expenses, including attorneys' fees and costs and attorneys' fees and costs on appeal, arising from the design, construction, operation, maintenance or implementation of the PROJECT; provided, however, that the COOPERATOR shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the DISTRICT'S officers, employees, contractors and agents. The acceptance of the DISTRICT'S funding by the COOPERATOR does not in any way constitute an agency relationship between the DISTRICT and the COOPERATOR.
  - 10.2 The COOPERATOR agrees to indemnify and hold the DISTRICT harmless, to the extent allowed under Section 768.28, F.S., from all claims, loss, damage and other expenses, including attorneys' fees and costs and attorneys' fees and costs on appeal, arising from the negligent acts or omissions of the COOPERATOR'S officers, employees, contractors and agents related to its performance under this Agreement.
  - 10.3 This Risk, Liability, and Indemnity Paragraph, including all subparagraphs, shall not be construed as a waiver of the COOPERATOR'S sovereign immunity or an extension of the COOPERATOR'S liability beyond the limits established in Section 768.28, F.S. Additionally, this Risk, Liability, and Indemnity Paragraph, including all subparagraphs, will not be construed to impose contractual liability on the COOPERATOR for underlying tort claims as described above beyond the limits specified in Section 768.28, F.S., nor be construed as consent by the COOPERATOR to be sued by third parties in any manner arising out of this Agreement.

10.4 Nothing in this Agreement shall be interpreted as a waiver of the DISTRICT'S sovereign immunity or an extension of its liability beyond the limits established in Section 768.28, F.S., nor be construed as consent by the DISTRICT to be sued by third parties in any manner arising out of this Agreement.

10.5 This Risk, Liability, and Indemnity Paragraph, including all subparagraphs, shall survive the expiration or termination of this Agreement.

11. DEFAULT.

Either party may terminate this Agreement upon the other party's failure to comply with any term or condition of this Agreement, including the failure to meet task deadlines established in this Agreement, as long as the terminating party is not in default of any term or condition of this Agreement at the time of termination. To effect termination, the terminating party shall provide the defaulting party with a written "Notice of Termination" stating its intent to terminate and describing all terms and conditions with which the defaulting party has failed to comply. If the defaulting party has not remedied its default within thirty (30) days after receiving the Notice of Termination, this Agreement shall automatically terminate. If a default cannot reasonably be cured in thirty (30) days, then the thirty (30) days may be extended at the non-defaulting party's discretion, if the defaulting party is pursuing a cure of the default with reasonable diligence. The rights and remedies in this Paragraph are in addition to any other rights and remedies provided by law or this Agreement.

12. RELEASE OF INFORMATION.

The parties agree not to initiate any oral or written media interviews or issue press releases on or about the PROJECT without providing notices or copies to the other party no later than three (3) business days prior to the interview or press release. This Paragraph shall not be construed as preventing the parties from complying with the public records disclosure laws set forth in Chapter 119, F.S.

13. DISTRICT RECOGNITION.

The COOPERATOR shall recognize DISTRICT funding in any reports, models, studies, maps or other documents resulting from this Agreement, and the form of said recognition shall be subject to the DISTRICT'S approval. If construction is involved, the COOPERATOR shall provide signage at the PROJECT site that recognizes the DISTRICT'S funding for the PROJECT. All signage must receive the DISTRICT'S written approval as to form, content and location, and must be in accordance with local sign ordinances.

14. PERMITS AND REAL PROPERTY RIGHTS.

The COOPERATOR shall obtain all permits, local government approvals and all real property rights necessary to complete the PROJECT prior to commencing any construction involved in the PROJECT. The DISTRICT shall have no obligation to reimburse the COOPERATOR for any costs under this Agreement until the COOPERATOR has obtained all permits, approvals, and property rights necessary to

accomplish the objectives of the PROJECT. In the event a permit, approval or property right is obtained but is subsequently subject to a legal challenge that results in an unreasonable delay or cancellation of the PROJECT as determined by the DISTRICT in its sole discretion, the COOPERATOR shall repay the DISTRICT all monies contributed to the PROJECT. This Paragraph shall survive the expiration or termination of this Agreement.

15. LAW COMPLIANCE.

The COOPERATOR shall comply with all applicable federal, state and local laws, rules, regulations and guidelines, including those of the DISTRICT, related to performance under this Agreement.

16. DIVERSITY IN CONTRACTING AND SUBCONTRACTING.

The DISTRICT is committed to supplier diversity in the performance of all contracts associated with DISTRICT cooperative funding projects. The DISTRICT requires the COOPERATOR to make good faith efforts to encourage the participation of minority owned and woman owned and small business enterprises, both as prime contractors and subcontractors, in the performance of this Agreement, in accordance with applicable laws.

16.1 If requested, the DISTRICT shall assist the COOPERATOR by sharing information to help the COOPERATOR in ensuring that minority owned and woman owned and small businesses are afforded an opportunity to participate in the performance of this Agreement.

16.2 The COOPERATOR agrees to provide the DISTRICT with a report indicating all contractors and subcontractors who performed work in association with the PROJECT, the amount spent with each contractor or subcontractor, and to the extent such information is known, whether each contractor or subcontractor was a minority owned or woman owned or small business enterprise. If no minority owned or woman owned or small business enterprises were used in the performance of this Agreement, then the report shall so indicate. The Minority/Women Owned and Small Business Utilization Report form is attached as an exhibit. The report is required upon final completion of the PROJECT prior to final payment, or within thirty (30) days of the execution of any amendment that increases PROJECT funding, for information up to the date of the amendment and prior to the disbursement of any additional funds by the DISTRICT.

17. ASSIGNMENT.

Except as otherwise provided in this Agreement, no party may assign any of its rights or delegate any of its obligations under this Agreement, including any operation or maintenance duties related to the PROJECT, without the prior written consent of the other party. Any attempted assignment in violation of this Paragraph is void. This Paragraph shall survive the expiration or termination of this Agreement.

By signing this Agreement, the COOPERATOR certifies that it is not on any of the lists or engaged in any of the prohibited activities identified above, as applicable based upon the amount of this Agreement. The COOPERATOR agrees to notify the DISTRICT if it is placed on any of the applicable lists or engages in any of the prohibited activities during the term of this Agreement. The DISTRICT may immediately terminate this Agreement at its option if the COOPERATOR is found to have submitted a false certification, is placed on any of the applicable lists or engages in any prohibited activities.

COOPERATIVE FUNDING AGREEMENT (Type 3)  
BETWEEN THE  
SOUTHWEST FLORIDA WATER MANAGEMENT DISTRICT  
AND  
TOWN OF BELLEAIR  
FOR  
BLUFF RESTORATION AND EROSION ABATEMENT (Q175)

**EXHIBIT "A"  
PROJECT PLAN**

**PROJECT DESCRIPTION**

The PROJECT is a cooperative funding project located within the Town of Belleair in Pinellas County. The PROJECT is consistent with the Strategic Initiative - Conservation and Restoration, which includes the restoration and maintenance of natural ecosystems for the benefit of water and water-related resources.

The PROJECT will investigate the erosion of the bluff shoreline along Bayview Drive due to wave activity and groundwater discharge and develop options to address these issues maximizing natural system restoration opportunities and improving water quality through nutrient reduction BMPs. This study will result in a conceptual project plan, including quantified benefits and conceptual costs. The general location of the PROJECT is shown on the attached map (Figure 1).

**MEASURABLE BENEFIT**

The completion of the study and conceptual project plan, in accordance with the requirements of this Agreement.

**PROJECT TASKS**

All contractors and consultants shall be procured in accordance with the procurement laws applicable to the COOPERATOR. Key tasks to be performed by the COOPERATOR:

1. **DATA COLLECTION** - Data collection shall be completed to determine site conditions such as site topography, wind and wave action expected within the intracoastal waterway, and the location, depth, size, and type of underground utilities that might effect subsurface groundwater conditions along the bluff. Data collection may also include pressure testing of watermains and videotaping storm and sanitary sewers to evaluate potential leaks. Geotechnical information will be obtained to determine and monitor ground water elevations. Note that we expect groundwater monitoring to proceed over a twelve-month period in order to capture seasonal groundwater fluctuations. Other data collection efforts may include, but is not limited to, the following: review of utility records, historic aerial imagery of the shoreline, an in-depth review of previous studies (primarily *Geophysical Mapping to Determine Controls on Shoreline Erosion, Town of Belleair, Fl* by N.S. Nettles & Associates, Inc.), and available water quality data of the intracoastal waterway. A data collection plan shall be submitted to the DISTRICT for approval prior to beginning the data collection effort.
  
2. **DATA COMPILATION AND ANALYSIS** – Data collected for the PROJECT shall be formatted in the form of a technical memorandum that documents the data collection efforts, evaluates the data collection information and testing results, provides opinions on factors and site conditions that are adversely contributing to erosion of the bluff shoreline causing detrimental water quality issues within the intracoastal waterway. The collected data shall be compiled in an organized and structured manner to be presented and reviewed with the DISTRICT.

3. WATERSHED AND WATER QUALITY ASSESSMENT – Task includes evaluating water quality and potential options to reduce pollutant loading. Options may include water reuse or Best Management Practices aimed at providing treatment.
4. DRAFT AND FINAL REPORT – The COOPERATOR shall prepare a draft report that presents the data results and, analysis and provides a determination of the primary causes of bluff erosion and degradation of water quality. The report will also include options and recommendations to inhibit further erosion and improve water quality. The recommendations may include measures to restore the project site to historic conditions. The goal of this study is to provide recommendations that will address and alleviate erosion of the bluff shoreline due to wave activity and groundwater discharge. The report shall identify, evaluate, and recommend management options/alternatives that will accomplish the Measurable Benefit of the PROJECT and shall include resource benefits and cost estimates for each option. This shall be accomplished through review and analysis of any existing water quality or watershed related data in conjunction with data collected specifically for the PROJECT. Upon review and approval of the draft report, the COOPERATOR shall prepare and submit a final report.
