JP Murphy-Town Manager-Welcomed residents, discussed purpose of forum; seeking input for long term vision; future of town; announced upcoming park dedication. Mr. Murphy also introduced consultants; provided background on experience.

Mari Rains-UCF-Discussed role of consultants; briefly overviewed process of data collecting for strategic plan formation. Plan will be done in phases; reviewed timeline, completion set for April.

Raphael Montalvo-UCF-Agenda and evaluation forms provided to all; evaluations will be collected at the end of the meeting; briefly reviewed agenda; three major areas will be discussed.

Each resident in attendance introduced themselves and how long they have lived in town; commission and staff members present introduced as well.

Mr. Montalvo stated forum questions are open to all ideas and opinions; first exercise is creating a timeline of historic events (shared history); residents given post-it notes to write down significant town events; items shared with group.

Brief Recess from 7:17 PM to 7:22 PM

Mr. Montalvo next instructed residents to identify items (treasures) they love about the community that they do not want to change; shared with group.

Residents were next instructed to participate in a future exercise; instructed to write a headline discussing town's achievements and cite specific topics; each table reported their headline and topic to the group.

Mr. Montalvo stated items discussed will be compiled and reviewed; findings will be discussed at the next forum as well as additional exercises; a summary of tonight will be made available in a few weeks; next forum will be January 9<sup>th</sup>, 2019. Addressed resident questions regarding process.

Mr. Murphy thanked consultants for facilitating; thanked residents for attending and providing feedback.
