Subject:
 Discussion of Historic Preservation Board Work Plan Items

Summary:
 During the short-term objectives discussion, the Commission decided that it would be good to invite each of the boards to a Commission meeting to lay out a work plan and topics for each of the advisory boards. For this meeting, we asked the Planning & Zoning Board and the Historic Preservation Board to appear. Staff will help kick-off the discussion.

Staff has additionally attached an overview sheet to this item that discusses recent and current Historic Preservation Board projects for the Commission’s review.
