Subject:
Variance Request for 718 Bluff View Dr

Summary:
The applicant is requesting a variance which would allow the construction of a proposed dock to extend 30 'feet beyond the 50' feet allowed by town code, resulting in a 80' foot dock.
Previous Commission Action: Continued from February 20, 2018 to allow time for Planning and Zoning Board review of potential redesign.

Background/Problem Discussion: Enter Background Here

Expenditure Challenges None

Financial Implications: None

Recommendation: The Planning and Zoning Board heard the request on April 9, 2018 and unanimously voted to deny the request finding no hardship.

Proposed Motion Move to approve/deny the request.
