Subject: Park & Tree Board Advisory Work Plan

Summary:

During the short term objectives discussion, The Commission decided that it would good to invite each of the boards to a commission to lay out a work plan and topics for each of the advisory boards to take up. This month we asked the Park and Tree board and the Recreation Board appear. Staff will help kick-off the discussion.

For Park & Tree Board, the Commission wanted to specifically study connecting parks and other recreational corridors. As well as taking up the matter of the future of Hallett Park.
