Summary

To: Historic Preservation Board
From: Cathy DeKarz, Management Analyst
Date: 11/13/2018

Subject:

Application to Add 330 Roebling Road South to the Town's Historic Registry

Summary:

Mr. Kurt Steinmann, the property owner of 330 Roebling Road South, is applying to the Historic Preservation Board and the Commission to place his home on the Town of Belleair Historic Registry. This property was nominated for historic designation in July of 2018 by the Town's historic preservation contractor, as it meets the designation criteria set forth in Belleair's Code of Ordinances.

Previous Commission Action: On July 24, 2018, the Historic Preservation Board received its final report from JMT that included research and documentation on 51 properties and structures in Town that JMT nominated for placement on the Town's Historic Registry.

As one of these properties was 330 Roebling Road South, the applicant now wishes to follow through with JMT's nomination to place his home on Belleair's registry.

Background/Problem Discussion: Mr. Steinmann's international style home at 330 Roebling Road South was built in 1965 in the Overbrook Park subdivision, and was nominated by JMT in 2018 for placement on Belleair's Historic Registry.

Per the attached Florida Master Site File Form for this property, distinguishing features of 330 Roebling Road South include its carport, wide-boxed eaves, and multi-plane façade. The property is also identifiable by its brick exterior, simple double doors, and flat roof that embody the international style.

This home was built by H. Smith Wright Jr., who is rumored to be a relative of the famed architect Frank Lloyd Wright. Aside from relation, though, the style of this home closely resembles the works of Frank Lloyd Wright,

and it is one of the few international/post-modern homes in the area.

Belleair's Code of Ordinances requires that any property or structure on Belleair's Historic Registry meets at least one of the nine of the criteria set forth. However, JMT and staff believe that this property actually meets three of the points, making the property noteworthy for:

A: Its character, interest, or value as part of the development, heritage, or cultural characteristics of the town, county, state, or nation

D: Its embodiment of distinguishing characteristics of an architectural style valuable for the study of a period, type, method of construction, or use of indigenous materials

F: Its embodiment of elements of design, detailing, materials, or craftsmanship that render it architectural significant

Expenditure Challenges N/A

Financial Implications: N/A

Recommendation: Staff recommends adding 330 Roebling Road South to the Town's Historic Registry.

Proposed Motion I move to add 330 Roebling Road South to the Town's Historic Registry.
