Subject:

Introducing Quarterly Communications Updates

Summary:

In an effort to increase general communications between the Town of Belleair and its residents, staff has instituted a “Quarterly Update” communications piece to be sent out four times per year. These updates will be included in utility bills, added to the website, and promoted on social media in the first week of July, October, January, and April each year, and are geared to provide high-level information to residents in a digestible manner. The first issue has been completed and is scheduled to go out in July (see attached).
