File #: 17-0244, **Version:** 1

Summary

To: Finance Board
From: Stefan Massol, Director of Support Services
Date: 11/16/2017

Subject:

Update on the ABM process

Summary:

Representatives from ABM will be providing an update to the Finance Board regarding their energy audit findings and presenting options and recommendations.

Previous Commission Action: Commission authorized ABM to perform an energy audit for the town in developing a proposal for energy-saving measures.

Background/Problem Discussion: In recent months ABM has been performing a review of the town's expenditures on maintenance items and energy to identify opportunities for long-term savings. Having completed their review, ABM will be presenting a proposal to the town.

Expenditure Challenges N/A

Financial Implications: To be presented at meeting.

Recommendation: This is for discussion purposes only.

Proposed Motion N/A
