Summary

To: Town Commission
From: Stefan Massol, Director of Support Services
Date: 1/2/2018

Subject:

Approval of Purchase of Box-Culvert Cleanout on Roebling Rd N

Summary:

Staff is proposing that the town contract with Gator Dredging to clean a box culvert located on Roebling Rd. N.

Previous Commission Action: N/A

Background/Problem Discussion: There is an accumulation of sand, sediment and debris in a box culvert located at Roebling Rd N that requires dredging for removal. The plan is to construct a temporary dam, deploy hydraulic dredging equipment that will extract the sediment and pump it into a dewatering truck for transportation to its eventual disposal site. The project has an expected duration of 60 days.

Financial Implications: The cost would be \$42,480.00 and would be funded from Small Roadway Projects. This would be a piggyback of pricing on a bid awarded by the City of Tampa in 2016.

Recommendation: Approval of the contract with Gator Dredging.

Proposed Motion: Award of contract for cleaning the culvert on Roebling Rd N to Gator Dredging in the amount of Forty-Two Thousand Four Hundred Eighty Dollars (\$42,480.00).
