TOWN OF BELLEAIR MAJOR EVENT SPECIAL RELIEF PERMIT APPLICATION

PROCESS OVERVIEW

To address community requests to host/conduct special events and activities, the Commission may provide temporary relief from certain code restrictions via a special relief permitting process (Section 74-34 of Belleair's Code of Ordinances).

Within this section of the code, a carve-out exists for "Major Events" which meet at least one of the following requirements:

- Events that are conducted for more than 72 hours
- Events that have anticipated attendance of more than 1,000 people
- Events that will significantly impact public streets, rights-of-way, and the need for emergency services such as police, fire, or medical aid (any event which involves an open invitation to the public falls within this category)

Consideration of any Major Event Special Relief Permit shall require two public hearings before the Town Commission. To inform the community of the public hearings for this event, the applicant shall ensure a mailer is distributed to all residents living within a minimum of 500 feet of the event site and mailed at least seven (7) days prior to the first hearing. Following approval of this application, changes to the permit (e.g. additional safety measures) may be made at the discretion of the Town Manager.

PROCESS TIMELINE

The Major Event Special Relief Permit process is initiated with the submission of this completed application (and all exhibits) to the Town at least 60 days before the first public hearing. To prepare for this deadline, a pre-application meeting shall be held for each application, recommended around 90 days before the first public hearing.

To best prepare an application, applicants are encouraged to make initial contact with the Town approximately 180 days in advance of the event. Properties may obtain no more than 2 permits per year, unless exempted by the Town Manager. Applications shall be approved/denied (with or without conditions) at the second public hearing.

APPLICATION AND PERMIT FEES

A non-refundable \$1,200 application fee shall be assessed to this applicant, as specified by the Town's Code of Ordinances (Section 74-23). This fee covers the cost of Town staff assisting with the planning, permitting, and communication of the event. The application fee is due with the submission of the application.

In addition to the application fee, applicants for a Major Event Special Relief Permit may incur additional costs relating to the efforts and resources of Town staff during the proposed event. Town staff shall provide an estimation of these costs to the applicant. These fees shall be paid in full prior to the proposed event and will be reconciled, if necessary, following the event. Additional Town staff fees will be assessed at \$25/hour per employee. This includes all departments other than Police. To request Police services, a separate Police Services Contract must be completed in addition to this application.

Fee payment may be mailed or made in-person at Town Hall (901 Ponce de Leon Boulevard). Payment may be made in the form of cash, checks (made payable to the Town of Belleair), or credit cards (with a 3% convenience fee added).

REQUIRED APPLICATION EXHIBITS

OVERVIEW

Unless exempted by Town staff or presented as optional in the below descriptions, the following exhibits are required as a part of this application. Specific conditions and requirements for these exhibits may be requested for an application to be considered complete.

Exhibit A: Event Overview: Using the form attached to this application, provide an overview of the proposed event and any relevant contact information for it.
Exhibit B: Executive Summary Letter: An executive summary letter addressed to the Town Commission that details the event and its intent.
Exhibit C: Relief Period: The specific dates and times for which relief is being requested.
<u>PLANS</u>
Exhibit D: Master Schedule Plan: A breakdown of the event's major activities, especially pertaining to the flow of traffic and public attendance.
Exhibit E: Master Site Plan: A map at least 8.5 x 11 inches in size that (at minimum) includes the event entrance(s), gathering places, temporary accessory structures, vending locations, sanitary stations, and emergency response holding locations.
Exhibit F: Sanitary Plan: If regular on-site restrooms are not sufficient for the event and other accommodations are to be made, provide an explanation of those plans and include their location(s) on the required site layout (Exhibit E: Master Site Plan).
Exhibit G: Traffic Control Plan: Must be created in coordination with the Belleair Police Department and include any road closure(s) or maintenance of traffic (MOT) adjustment(s), along with any locations to be specified as "No Parking" zones.
Exhibit H: Parking Control Plan: Must include the location(s) of any public parking for the event. Must be created in coordination with the Belleair Police Department if public and/or paid parking is to be available within town limits. This plan must also designate space for public safety services access and parking.

Exhibit I: Life Safety Plan: Must be created in coordination with the Belleair Police Department, Largo Fire Rescue, EMS, and any private security vendors.
Exhibit J: Event Communications Plan: Must include main points-of-contact for all public and private agencies involved with running or security the event. Must also include means of communication from the event to the public and any communication coordination efforts being conducted alongside the Town of Belleair.
Exhibit K: Signage Plan: Must include designs, specifications, and placement dates of any signage to be displayed on public property within the Town of Belleair.
<u>PERMITS</u>
Exhibit L: Building Permits: All necessary Town of Belleair Building Department Permits, specifically as pertaining to temporary electrical installation and/or fencing - may reference <i>Exhibit E: Master Site Plan</i> .

Exhibit N: Film Permits: All necessary permits provided by the St. Pete Clearwater Film Commission.
LICENSURE
Exhibit O: Certificate of Liability Insurance: The applicant shall maintain commercial general liability (CGL) insurance per the specifications of the Town of Belleair's Insurance Guide VI (for non-profit/charitable organizations) or Insurance Guide VII (for commercial/for-profit organizations). The applicant shall also provide a Certificate of Liability Insurance for the event with the Town of Belleair listed as additionally insured.
Exhibit P: Alcohol Licensure: If requesting to serve alcohol on public property or sell alcohol attach all necessary alcohol licensure applications, including State Form ABT 6003. This section may be exempted if the alcohol is to be served solely within a fully licensed private premises.

SPECIAL RELIEF SECTIONS

Upon submittal of this application, the following sections of Belleair's Code of Ordinances are requested to be waived for the duration of the event, as specified in Exhibit C: Relief Period. The Town Commission reserves the right to attach conditions of issuance as deemed necessary to further the health, safety, comfort, convenience, and welfare of all guests, employees, residents, and vendors, and to protect the Town of Belleair from any undue liability.
Chapter 58, Article II, Division II: Commercial and domestic equipment and private passenger motor vehicles: Equipment and passenger motor vehicles shall be permitted to park on grass or other unpaved surfaces that are clearly identified for such purposes and as approved in Exhibit E: Master Site Plan and/or Exhibit G: Traffic Control Plan.
Chapter 74, Article IX: Signs: Regulations regarding the placement, size, and content of signage used for promotional or informational purposes for the event shall be suspended for the duration of the event (as defined in Exhibit C: Relief Period). Such signage shall not obstruct traffic or accessibility, or portray non-becoming or inappropriate content, as determined by the Town Manager. Additional street banner, light pole, and other promotional signage may be approved outside of the time constraints of this ordinance via written approval from the Town Manager to the applicant. See Exhibit K: Signage Plan for additional information on proposed event signage.
Section 38-70: Street sale restrictions; ornamental shrubs: Merchandising on public property shall be permitted in zones designated in <i>Exhibit E: Master Site Plan</i> for the duration of the event (as established in <i>Exhibit C: Relief Period</i>). Such merchandising must be provided only by authorized vendors of the event.
Section 74-484: Public nuisance noises: The volume and conditions regarding nuisance noises shall be lifted for the duration of the event set forth in Exhibit C: Relief Period.
Section 74-485: Noisy work prohibited during certain hours: The allowable times for noisy work shall be lifted for the duration of the event, as established in <i>Exhibit C: Relief Period</i> .
Other Code Section:
Other Code Section:

Attach extra sheets, as necessary, for any additional code sections to be considered for relief.

AUTHORIZATION

By signing below, the applicant certifies that all information provided on this application is complete and correct and that all necessary attachments have been included. The applicant also agrees to the relevant fee schedule set forth by the Town and assumes all responsibility for any and all damage to public property that may result from the requested event.

THE COMPLETION OF THIS FORM DOES NOT CONSTITUTE APPROVAL FOR A SPECIAL RELIEF PERMIT.

Town of Belleair c/o: Town Commission 901 Ponce de Leon Boulevard Belleair, FL 33756

Dear Commissioners,

My name is John Mortimer and since 2018, I have had the pleasure of partnering with the Town of Belleair, City of Clearwater, Pinellas County to produce the **Clearwater Marathon & Running Festival.** Please accept this letter as an "executive summary" for the 2026 event which is required as part of the Major Event permitting process within the Town of Belleair.

Scheduled for **Sunday, January 25, 2026**, the Clearwater Marathon & Running Festival will once again provide a one of a kind athletic experience for runners from nearly all 50 states. The epicenter of the event that includes the start/finish, pre and post-race festivities all occur in Sand Key Park. While 75% of the course is within the City of Clearwater, 3.5 miles of the course run along the coastal sections of the Town of Belleair and is critical for creating the 13.1 mile and 26.2 mile distances. Included in our submission, you will also find specifics related to impact / turn-by-turn timelines, course maps, and police detail locations.

With the assistance of the Belleair Police Department and our course marshals, we will once again expect minimal impact to residents and motorists as the major throughways in town remain open. Our communication plan to residents will include mass mailings, social media, signature on event week, and local partnerships to alert the public. Our operations and course management teams remain steadfast to work in complete cooperation with the Belleair Police Department, Clearwater Police Department, Pinellas County Sheriffs and Sunstar to create a safe and meaningful event that mitigates disruption to the public and residents.

We once again look forward to producing a first class and safe event that has not only provided an unparalleled athletic experience but raised tens of thousands of dollars annually for our local charities.

Respectfully

John Mortimer

Clearwater Marathon Race Director

Town of Belleair c/o: Amanda Oreskovich Public Relations Coordinator 901 Ponce de Leon Boulevard Belleair, FL 33756

Dear Amanda.

Please accept this letter that summarizes the Communication Plan, Signage Plan, and Resident Communication for the Clearwater Marathon & Running Festival scheduled for Sunday, January 26, 2025.

Communications plan: In coordination with the Pinellas County Sheriffs, Belleair Police, Sunstar EMS and the City of Clearwater, the Clearwater Police will be providing their "Command Bus" located at the race's Start/Finish at Sand Key Park. The Command Bus will serve as the central communication with the event director, John Mortimer via radio (cell 603-512-1976) and the operations team from Millennium Running, medical and police detail from all the respective municipalities to ensure safety of the event. Participant tracking (bib number tracking with timing devices) is provided by Millennium Running and available via their website on event day. All course marshals have direct communications and cell numbers to Millennium Running operations staff, that will then coordinate through the Command Bus.

Signage plan: Resident notifications in the form of lawn signs will be placed at intersections along the course on Thursday prior to the race day. Electronic message boards will be provided by Belleair Bluffs and City of Clearwater. These notification signs warn residents of any possible delays during the race on Sunday. On race day morning, all course directional signs for vehicles and/or runners (no left turn signs, no right turn signs, cones, etc.) are deployed starting at 5AM and all infrastructure/signs are removed by our sweep truck following the last participant to pass by the respective locations/signs).

Mailer to impacted residents: Per requirement of the Town Commission, notification post cards will be sent at least approx. 1 week before the first Commission hearing in October.

Please let me know if you have any questions or concerns!

Respectfully,

John Mortinger

Clearwater Marathon Race Director
