Notes		
Date	Note	Created By:
04/22/2026	4/22 @ 1419, per Maria Bianchini: Parker appeared in person as requested to present ID in order to complete the contractor registration & fill out the Auth Agent Form. At that time, I referred him to the LDC and advised of the 3x permit fee for the contractor. Called the contractor Parker, and left a message. Sent an email 4/21 Good afternoon,	Building Department
04/21/2026	Please see the attached from the County. You are required to obtain a permit from the Town of Belleair. Therefore, please contact Maria (copied) asap, to file for an after-the-fact permit. I will then review and approve if meets our requirements and then will go out to perform an inspection to determine if there is additional work needed. Your cooperation in this matter is greatly appreciated.	Bruce Cooper
