

TOWN OF BELLEAIR

MAJOR EVENT SPECIAL RELIEF PERMIT APPLICATION

PROCESS OVERVIEW

To address community requests to host/conduct special events and activities, the Commission may provide temporary relief from certain code restrictions via a special relief permitting process (Section 74-34 of Belleair's Code of Ordinances).

Within this section of the code, a carve-out exists for "Major Events" which meet at least one of the following requirements:

- Events that are conducted for more than 72 hours
- Events that have anticipated attendance of more than 1,000 people
- Events that will significantly impact public streets, rights-of-way, and the need for emergency services such as police, fire, or medical aid (any event which involves an open invitation to the public falls within this category)

Consideration of any Major Event Special Relief Permit shall require two public hearings before the Town Commission. To inform the community of the public hearings for this event, the applicant shall ensure a mailer is distributed to all residents living within a minimum of 500 feet of the event site and mailed at least seven (7) days prior to the first hearing. Following approval of this application, changes to the permit (e.g. additional safety measures) may be made at the discretion of the Town Manager.

PROCESS TIMELINE

The Major Event Special Relief Permit process is initiated with the submission of this completed application (and all exhibits) to the Town at least **60 days** before the first public hearing. To prepare for this deadline, a pre-application meeting shall be held for each application, recommended around **90 days** before the first public hearing.

To best prepare an application, applicants are encouraged to make initial contact with the Town approximately **180 days** in advance of the event. Properties may obtain no more than 2 permits per year, unless exempted by the Town Manager. Applications shall be approved/denied (with or without conditions) at the second public hearing.

APPLICATION AND PERMIT FEES

A non-refundable \$1,200 application fee shall be assessed to this applicant, as specified by the Town's Code of Ordinances (Section 74-23). This fee covers the cost of Town staff assisting with the planning, permitting, and communication of the event. The application fee is due with the submission of the application.

In addition to the application fee, applicants for a Major Event Special Relief Permit may incur additional costs relating to the efforts and resources of Town staff during the proposed event. Town staff shall provide an estimation of these costs to the applicant. These fees shall be paid in full prior to the proposed event and will be reconciled, if necessary, following the event. Additional Town staff fees will be assessed at \$25/hour per employee. This includes all departments other than Police. To request Police services, a separate Police Services Contract must be completed in addition to this application.

Fee payment may be mailed or made in-person at Town Hall (901 Ponce de Leon Boulevard). Payment may be made in the form of cash, checks (made payable to the Town of Belleair), or credit cards (with a 3% convenience fee added).

REQUIRED APPLICATION EXHIBITS

Town of Belleair
c/o: Town Commission
901 Ponce de Leon Boulevard
Belleair, FL 33756

Dear Commissioners,

My name is John Mortimer and since 2018, I have had the pleasure of partnering with the Town of Belleair, City of Clearwater, Pinellas County to produce the **Clearwater Marathon & Running Festival**. Please accept this letter as an “executive summary” for the 2025 event which is required as part of the Major Event permitting process within the Town of Belleair.

Scheduled for **Sunday, January 26, 2025**, the Clearwater Marathon & Running Festival will once again provide a one of a kind athletic experience for runners from nearly all 50 states. The epicenter of the event that includes the start/finish, pre and post-race festivities all of occur in Sand Key Park. While 75% of the course is within the City of Clearwater, 3.5 miles of the course run along the coastal sections of the Town of Belleair and is critical for creating the 13.1 mile and 26.2 mile distances. Included in our submission, you will also find specifics related to impact / turn-by-turn timelines, course maps, and police detail locations.

With the assistance of the Belleair Police Department and our course marshals, we will once again expect minimal impact to residents and motorists as the major thoroughways in town remain open. Our communication plan to residents will include mass mailings, social media, signage on event week, and local partnerships to alert the public. Our operations and course management teams remain steadfast to work in complete cooperation with the Belleair Police Department, Clearwater Police Department, Pinellas County Sheriffs and Sunstar to create a safe and meaningful event that mitigates disruption to the public and residents.

We once again look forward to producing a first class and safe event that has not only provides an unparalleled athletic experience but raised tens of thousands of dollars annually for our charities.

Respectfully,

John Mortimer
Clearwater Marathon Race Director

Dear Amanda,

Please accept this letter that summarizes the Communication Plan, Signage Plan, and Resident Communication for the **Clearwater Marathon & Running Festival** scheduled for **Sunday, January 26, 2025**.

Communications plan: In coordination with the Pinellas County Sheriffs, Belleair Police, Sunstar EMS and the City of Clearwater, the Clearwater Police will be providing their "Command Bus" located at the race's Start/Finish at Sand Key Park. The Command Bus will serve as the central communication with the event director, John Mortimer via radio (cell 603-512-1976) and the operations team from Millennium Running, medical and police detail from all the respective municipalities to ensure safety of the event. Participant tracking (bib number tracking with timing devices) is provided by Millennium Running and available via their website on event day. All course marshals have direct communications and cell numbers to Millennium Running operations staff, that will then coordinate through the Command Bus.

Signage plan: Resident notifications in the form of lawn signs will be placed at intersections along the course on Thursday prior to the race day. Electronic message boards will be provided by Belleair Bluffs and City of Clearwater. These notification signs warn residents of any possible delays during the race on Sunday. On race day morning, all course directional signs for vehicles and/or runners (no left turn signs, no right turn signs, cones, etc.) are deployed starting at 5AM and all infrastructure/signs are removed by our sweep truck following the last participant to pass by the respective locations/signs).

Mailer to impacted residents: Per requirement of the Town Commission, notification post cards will be sent at least approx. 1 week before the first Commission hearing (Tuesday, December 10).

Please let me know if you have any questions or concerns!

Respectfully,

John Mortimer
Clearwater Marathon Race Director

Application for Police Permit Services *Conditions of Permit*

Fee Schedule

All individuals working on a permit assignment will receive a minimum of four (4) hours pay per assignment. The charges for Police services will be calculated at the following rates:

Officer: \$65.00 per officer per hour **Supervisor:** \$85.00 per hour **Civilian Staff:** \$50.00 per hour

The above fee schedule is subject to change with a 14-day advance notice to the permittee. All changes made to the fee schedule will be consistent with, and pursuant to, the current police labor contract(s).

General Requirement

Requests for permit assignments will require seven (7) days' prior notice. Exceptions will be at the discretion of the Chief of Police or his designee.

A Supervisor is required for details of more than five officers, or details where it is deemed necessary for safety.

Payment for services should be made by check or money order made payable to the "Town of Belleair."

Payment for services estimated at three thousand dollars (\$3,000) or more will be made by cashier's check or money order.

Permit Cancellation

The Police Department may cancel a permit at any time with or without cause.

The permittee may cancel a permit by contacting the Police Department 48 hours in advance of the date and time of the permit service. If this 48-hour notice is not given, the permittee will compensate the Department at three and one-half (3 ½) hours pay for each scheduled individual.

To cancel a permit assignment, the permittee should call the Police Department at 727-588-3769 during normal business hours (Monday – Friday, 8:00 am to 5:00 pm). At any other time, an on-duty Belleair Officer should be contacted through the Sheriff's Communications Center at 727-582-6200.

Status of Law Enforcement Officers Performing Service

Law enforcement officers performing services under the terms of a permit will be deemed to be acting within the scope and course of their official duties; their principal responsibility will remain with the Department and/or the general public.

Staffing Provisions

The Chief of Police or his designee will review all permit assignment applications prior to approval. Staffing needs will be evaluated. If a deficiency appears, the permittee may be required to contract for more officers than originally requested.

During a permit assignment, a police supervisor will have the discretion to release individuals from duty in the event their services are no longer needed. In the absence of a supervisor, the officer will contact a Commander or Chief, who may, at their discretion, release the officer(s). Officers relieved under this provision who have worked less than one half of the contracted time will be compensated for the minimum three and one-half hours or half of the contracted time, whichever is greater. Officers who are relieved early but have worked one half or more of the contracted time will be compensated for the entire amount.
